PICCOLO BLU E PICCOLO GIALLO

*Un libro produce compagnia,
diffonde cultura, emozioni, crea relazioni*

Quest'anno il nostro progetto "Tante note per una sinfonia" ha avuto la finalità di creare una prima sezione di libri in simboli, gli INBOOK, per la Biblioteca Fiordilibro.

L'INBOOK è un libro illustrato con testo in simboli, strumento per l'inclusione e il supporto allo sviluppo di tutti i bambini.

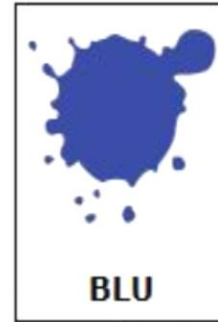

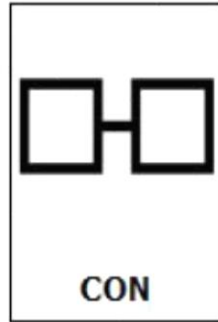

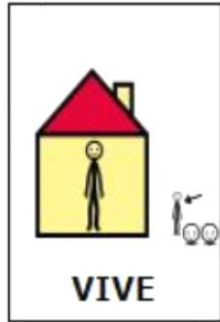

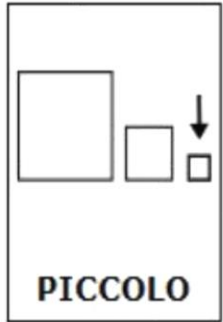

AraWord è il software utilizzato dai bambini per creare i testi, che hanno lo scopo di stimolare la lettura autonoma.

Ogni libro è stato illustrato e personalizzato dagli alunni delle classi aderenti al progetto, protagonisti di percorsi didattici, che hanno avuto come sfondo integratore i testi selezionati.
